

March 12, 2020

Dear Phoenix Academy Parents,

Due to the evolving situation regarding COVID-19 (coronavirus), Phoenix Academy will be closed the week of March 16th -20th. We have the health and safety of all students and families at the forefront and therefore have taken this step by closing school.

We understand how crucial it is for your child to continue with their academics. Your child's teachers will be compiling school work packets which will be available for pick up at the school on Wednesday, March 18th. The school will not be open to students as we will be doing cleaning and disinfecting. However, parents can come in between 7:30 a.m - 7:00 p.m. to pick up their child's school packet. It is not mandatory that you pick up the packet but we encourage learning during these unusual circumstances.

Attached is a great resource to help talk with your child about COVID 19 as this disruption may cause anxiety in many children.

In the coming week, we will continue to keep you informed about school proceedings as we follow public health recommendations. If this closure is extended, plans will be communicated to families by Friday, March 20.

We appreciate your patience during this health pandemic. Please stay well. Let me know if you have any questions or concerns.

Sincerely,

Nancy Liebermann
Executive Director
