## LETTER FROM THE DIRECTOR

Dear Parents,

It is hard to believe the third quarter has come to an end and we only have ten more weeks left of this school year. Although the school year is winding down, it is important that the students continue to work hard as we have one more set of MAP tests and more learning before heading into summer. We appreciate you making the time to conference with your child's teachers as home school communication is so important. Please continue to encourage your child to give their best and be on time to school.

**FALL REGISTRATION:** Registration for next school year is now open to current families first. We begin accepting registration for NEW families for fall 2022 on April 15th. It is important that you return the registration form and deposit (which will be credited towards first month's tuition).

**SUMMER KICKSTART:** We highly recommend Summer Kickstart to keep students on track for fall. As a parent myself I made my kids promise they would do math packets and read if they didn't go to summer school. Unfortunately the best plans soon would dissolve as the summer progressed and the only one feeling guilty would be me! Let our summer program give your child the refresher they need and you can forget the extra worksheets and guilt. Current Phoenix Academy students and their siblings receive \$250.00 off the cost. (Additional financial aid may also be available - see Mrs. Liebermann).

**NEW MASK POLICY:** We believe our ability to remain with in person classes this year was due to your support. Thank you for following our mask policies and communicating when your child or family was ill. Due to the decline in cases and the availability of vaccines, we will be making masks optional as of March 28th. ***We highly recommend students who are not vaccinated continue to wear masks and mandates will be in place for students who contract Covid as part of the protocol. Masks will still be provided for all students who would prefer to wear one.*** Please feel free to do what you feel is best for your child regardless of their vaccine status.

Have a safe and relaxing Spring Break!  
Nancy Liebermann
